

Prior Authorization CPT/HCPCS Codes

Superior HealthPlan has implemented a relaxation of prior authorization requirements for covered Durable Medical Equipment (DME), Prosthetics, Orthotics, Enteral/Parenteral Nutrition and Medical Supplies for Medicaid (STAR, STAR Health, STAR Kids, STAR+PLUS) and CHIP members.

The waiver of prior authorization requirements is only applicable for covered benefits for Medicaid and CHIP children and Medicaid adults. No changes have been made to the clinical criteria for the applicable service/ categories that require prior authorization.

Prior authorization for certain items and supplies are waived for Medicaid and CHIP members 0- 20 years of age only. Please review the listing of services and the Current Procedural Terminology (CPT) and/or Healthcare Common Procedure Coding System (HCPCS) codes that DO NOT REQUIRE PRIOR AUTHORIZATION. These are listed below in two tables:

- No Prior Authorization Required with Benefit Limit
- No Prior Authorization Required within Benefit Limit for Medicaid and CHIP Members 0-20 Years of Age
