Provider Statement of Need

STAR Kids and STAR Health

The Provider Statement of Need (PSON) is required prior to the authorization of Personal Care Services (PCS) or Habilitation (HAB). These are ***non-technical attendant services*** authorized for eligible members who have a medical or behavioral condition resulting in a functional physical, cognitive or behavioral limitation in performing personal care. The attendants who help members with activities of daily living, such as bathing, grooming and meal preparation, are trained and supervised by non-medical personnel.

The PSON form below must be signed by a Physician, Nurse Practitioner (NP) or Physician Assistant (PA) who has examined the member and reviewed the medical record within the last 12 months.

Instructions: Please completely fill out the form below, and obtain a signature by the Physician, NP or PA in the Provider Signature line. Once completed, return the form by fax to **1-866-703-0502**, or electronically with an Adobe e-Signature to **SHP.Intake@SuperiorHealthPlan.com**.

For any questions, concerns or to discuss this member's care, please call Superior at **1-844-433-2074** (STAR Kids) or **1-866-912-6283** (STAR Health).
