

REWARDS PROGRAM

We want to help you have good health. Taking care of your health makes you feel better. You can also avoid more serious health concerns. We give you an additional reward for completing certain healthy activities . . . dollar rewards! There are no fees or cost to you. It's our way of celebrating your choice to have better health.

Earning rewards is easy! When you make certain healthy choices, reward dollars will automatically be put on your CentAccount rewards card. The rewards are added approximately two weeks after we receive the claim for the healthy behavior. If it's your first reward, a card will be mailed to you. Remember, this card is not a credit card. It already has funds on it. Keep the card after you use it. As you earn more rewards, they will be added to this card.

Earn rewards by completing the following healthy activities:

\$20 For the 1st, 3rd, 6th and 9th prenatal doctor visit* (To earn the reward for the first visit, it must be completed within 42 days of enrollment in Superior HealthPlan.) (\$80 max.)

\$20 Postpartum doctor visit* between 21-56 days after delivery.

\$20 For an annual flu vaccine. One per flu season (September - April).

\$5 For responding to all monthly text questions if you participate in our breastfeeding text program after delivery.

*To be eligible for these rewards, you must notify us you are pregnant prior to having your baby by calling us or submitting a completed Notification of Pregnancy (NOP) form. Prenatal visit count begins after we are notified you are pregnant.

The card cannot be used to buy alcohol, cigarettes, tobacco, firearms or ammunition. All rewards expire one year (365 days) from the date the reward is added to your card. If you do not use or earn more rewards for 12 months, your card will close. When your card closes, you lose any remaining balance. Your card expires 60 days after your coverage terminates.

This program is a Value Added Service for pregnant members enrolled in STAR and CHIP. Restrictions and limitations may apply.
