

Lessons Learned

Corey Waller, MD, MS, FACEP, DFASAM

Managing Partner, Complex Care Consulting LLC

Chair, Legislative Advocacy Committee

American Society of Addiction Medicine

Speaker

Sentinel Syndromes

- Genetic Predisposition
- Inherited Epigenetic Changes
- Early Life Trauma
- Decreased Buffer
 - Decreased Safety
 - No authentic healing relationships

Leads to increased risk of

Sentinel Syndromes

Addiction

Mental Health
Condition

Chronic
Pain

Cognitive
Impairment

Sentinel Syndromes

Addiction
