TMHP will compare EVV data prior to Superior's claim adjudication process.

Providers will be required to resubmit any denials to TMHP.

• Effective January 1, 2021, Financial Management Services Agency (FMSA) will be required to use EVV for Consumer Directed Services (CDS).

Payment History through Secure Provider Portal (EOP)
• If the clearinghouse does not have Superior’s **Payer ID 68069**, they may drop the claim to paper.

• If a provider uses EDI software but it is not setup with a clearinghouse, they must bill Superior through paper claims or through the Secure Provider Portal until the provider has established a relationship with a clearinghouse listed on Superior’s website.

• To send claim adjustments through EDI, the CLM05 -3 "Claim Frequency Type Code" must be "7" and in the 2300 loop a REF *F8* must be sent with the original claim number (or the claim will reject).

Authorization and Billing Tips

• Avoid denials: Remember to use the right Tax ID LTSS number when requesting authorizations.

• If the authorization denies because it was billed with a different combination than was authorized, providers can appeal by:
  – Rebilling with correct combination.
  – Requesting reconsideration by providing the authorization number you did obtain and ask it be assigned to the correct combination.
Recurring Bills Reminder

• Superior may issue authorizations that extend to multiple dates of service.

• In order for the claim to process correctly, dates of services billed on a claim must be covered under a single authorization.

• Bill must be reflect the services under the authorization - including billing period.

• One claim per authorization period.
Recurring Bills Reminder

- Superior frequently issues authorizations that span over multiple dates of service.
- To avoid claim denials, the dates of service billed on a claim must be covered under one single authorization.
- If the dates of service billed are covered by multiple authorizations, the claim should be split and billed on separate claims for each authorization.
Adjustments, Reconsiderations and Disputes

• All claim adjustments (corrected claims), requests for reconsideration or disputes must be received within 120 days from the date of notification or denial.

• Adjusted or Corrected Claim: The provider is changing the original claim. Correction to a prior-finalized claim that was in need of correction as a result of a denied or paid claim.

• Claim Appeals: Often require additional information from the provider.
  – Request for Reconsideration: Provider disagrees with the original claim outcome (payment amount, denial reason, etc.).
  – Claim Dispute: Provider disagrees with the outcome of the request for reconsideration

• Visit [www.SuperiorHealthPlan.com](http://www.SuperiorHealthPlan.com) for easy-to-fill Corrected Claim or Claim Appeal forms.

This is not an all inclusive list. Rejections are not in Superior’s system because the missing or invalid information prevents the system from recognizing the claim. EDI submissions will need to occur within 95 days of DOS but you can appeal a rejection in writing within 120 days from the date of the letter.

You do not receive an EOP with a rejection. You will receive a letter that details the rejection reason.
For electronic pharmacy claim submissions, claims will be paid in 18 days.

Once a clean claim is received, Superior will either:
   - Pay the total amount of the claim or part of the claim in accordance with the contract.
   - Deny the entire claim or part of the claim and notify the provider why the claim will not be paid within the 30-day claim payment period.

Payment is considered to have been paid on the date of issue of a check for payment and its corresponding EOP to the provider by Superior, or the date of electronic transmission, if payment is made electronically.
Superior has partnered with PaySpan Health to offer expanded claim payment services:

- Electronic Claim Payments (EFT)
- Online remittance advices (Electronic Remittance Advices [ERAs]/EOPs)
- HIPAA 835 electronic remittance files for download directly to HIPAA-compliant Practice Management or Patient Accounting System
- Practice Management or Patient Accounting System

Register at: [www.PaySpanhealth.com](http://www.PaySpanhealth.com).

For further information:

- Call PaySpan at 1-877-331-7154.
- E-mail: ProvidersSupport@Payspanhealth.com.
- Call Superior’s Provider Services at 1-877-391-5921.
Explanation of Payment

- Paper EOP (through Emdeon)
- ERA/835 - Electronic Remittance Advice
  - PaySpan (EFT and ERA)
  - Providers may be set up to receive through their clearinghouse/trading partners (and still receive a paper check).
EFT or Paper Check

- Providers will receive a paper check unless they are signed up for EFT through PaySpan.
- A provider can submit claims on paper and still enroll for EFT/ERA. A provider that likes their EDI vendor can still go through his or her vendor.
- We simply divert the return file – aka the ERA (835) – through PaySpan.
- Some providers will ask for ERA (835) to be sent through their clearinghouse as well as PaySpan. This requires special permission from health plan leadership or corporate as it entails an additional cost.
