

Quality of Care Performance Measures

Prenatal and Postpartum Care

Superior evaluates provider's delivery of care using standards established by the National Committee of Quality Assurance (NCQA), the Texas Health and Human Services (HHSC), the Centers of Medicare-Medicaid Services (CMS) and the Texas Department of Insurance. The tables below include the standards applicable to timely prenatal and postpartum care. Please keep these timeframes in mind when scheduling prenatal and postpartum care visits for our members.

Visit Timeframes

Member Status	1 st Prenatal Visit Due	Comprehensive Postpartum Visit Due
Already enrolled with Superior before becoming pregnant	During 1st trimester on or before the enrollment start date	Between 7 and 84 days after delivery
Enrolled with Superior after becoming pregnant	Within 6 weeks of enrollment	Between 7 and 84 days after delivery
