

Access to Behavioral Health Consultation for Children and Youth in Primary Care

(EVENT FUNDED BY THE T.L.L. TEMPLE FOUNDATION)

Location:

Mental Health America Southeast Texas

700 N. Street, Suite 95 | Beaumont, TX

Wednesday, February 5, 2020

6:00-7:30 p.m.

Light dinner will be served.

Who should attend: Pediatric and Family Medicine providers (physicians, nurse practitioners, physician assistants), practice managers, and staff who would best represent your practice.

Details: Please join us at this forum where Dr. Melissa DeFilippis, UTMB, will be providing an update on the regions Texas Child Psychiatry Access Network (CPAN) and information on how your practice can get access to behavioral health supports through the Texas CPAN. The Meadows Mental Health Policy Institute along with Mental Health America, Southeast Region, is inviting your participation to add the important perspectives of providers caring for East Texas children and youth today.

Please send your **RSVP** to Gary Bramlett at gbramlett@texasstateofmind.org or call **903-445-2893**.
