

Provider Statement of Need

STAR+PLUS

The Provider Statement of Need (PSON) is required prior to the authorization of Habilitation (HAB) or Personal Assistance Services (PAS). These are **non-technical attendant services** authorized for eligible members who have a medical condition resulting in a functional limitation in performing personal care. The attendants who help members with activities of daily living, such as bathing, grooming and meal preparation, are trained and supervised by non-medical personnel.

The PSON form below must be signed by a Physician, Nurse Practitioner (NP) or Physician Assistant (PA) who has examined the member and reviewed the medical record within the last 12 months.

Instructions: Please completely fill out the form below, and obtain a signature by the Physician, NP or PA in the Provider Signature line. Once completed, return the form by fax to **1-866-703-0502**, or electronically with an Adobe e-Signature to SHP.Intake@SuperiorHealthPlan.com.

For any questions, concerns or to discuss this member's care, please call the STAR+PLUS Nurse Line at **1-877-277-9772**.
